Art Unit: 3653

1. The following is an examiner's statement of reasons for allowance: The reason for allowance is the provision of an auxiliary pile carrier which is displaced in an insertion direction from a standby position into an operational position wherein the carrier comprises supporting members articulately connected together and each supporting member includes extensions projecting beyond the swivel joints of articulation with one extension directed counter to the insertion direction so as to engage underneath an extension directed in the insertion direction of the next supporting member trailing in the insertion direction.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

2. The objection to the drawings that the lifting/lowering unit of claim 6 is not shown is withdrawn in view of applicant's remarks on pages 8 and of the applicant's response filed 30 April 2005 pointing which elements shown in the drawing comprise the lifting/lower unit.

3. Any inquiry concerning this communication or earlier communications from the examiner should be directed to David H. Bollinger whose telephone number is 571-272-6935. The examiner can normally be reached on Monday through Friday from 9:00 am to 5:00 pm.
